RE: NEMA LABORATORY ACCREDITATION

Following your application of 6th March 2007 for accreditation of your laboratory for the purpose of carrying out the National Environment Management Authority analytical and monitoring work, your laboratory has been recommended for analysis of effluent, water and soil. The laboratory has also been recommended for gazetement subject to the attached terms and conditions.

To facilitate the gazetement kindly confirm in writing that the terms and conditions shall be adhered to and update us by filling the attached form.

Please forward the information to NEMA within two weeks from the date of this letter

B. M. LANGWEN
